GENERAL INFO:

Futsal is a game played between two teams of five players each, one of whom is the goalkeeper. Unlike some other forms of indoor soccer, the game is played on a hard court surface delimited by lines; walls or boards are not used. Futsal is also played with a smaller ball with less bounce than a regular football due to the surface of the field.

This version of Futsal is unique to First Baptist Church. Any rules and regulations that you might be familiar with from other Futsal clubs may or may not be the same here. Make sure you understand this version of the game before you play!

PART ONE: General Rules:

- ⚽ We play Futsal as a **friendly, no-contact** activity. Dangerous and/or aggressive play is not allowed (see player infringements).
- ⚽ A typical team consists of at least 5 players (4 court players and 1 goalkeeper); the minimum number of players on a team is 3 (no goalkeepers). The maximum number of players on a team is 9.
- ⚽ Length of Games:
 - **Pick-up games:**
 - For only two teams: These games will have two 20 minute halves, with a 5 minute half-time, and will end when time expires.
 - For more than two teams: Each game will not exceed 10 minutes. These games will end when either a team scores or when time expires. The teams rotate out after each game.
 - **Tournament games** will have two 20 minute halves, with a 5 minute half-time, and will end when time expires.
- ⚽ From a kick off, the ball can be played in any direction. A goal CANNOT be scored directly from a kick off.
- ⚽ There is **no offside** in Futsal, and players can score from anywhere in the court of play.
- ⚽ Unlimited ‘flying’ **substitutions**. Players can re-enter the game as many times without notifying the referee, this also includes the goalkeeper (games will not be stopped for substitutions). Substitutions must be made in the substitution area. A substitute player can only enter after the player they are substituting is off the court.
- ⚽ Play will stop for **injuries**.
 - If a player is deemed healthy enough to immediately resume playing, the game will resume.
 - Any injured player may be required to sub out (referee’s discretion) so that play can resume.
 - Play will continue with whichever team had possession at the time of the injury receiving an indirect free kick from the spot where the ball was in play when the injury occurred (referee’s discretion).
 - For serious injuries, the game will end (referee’s discretion).

- ⚽ The ball is **out of play** when it COMPLETELY crosses the boundary line.
 - When the ball goes out over the sideline, it is then placed on the sideline where it went out of play; it must be stationary and kicked into the court to another player.
 - All opposing players must be at least 5 feet from the ball.
 - The foot not kicking the ball must be out of the court or part of the foot touching the side line.
 - A goal CAN be scored directly from a sideline kick in.

- ⚽ **Corner kicks** are earned when the ball crosses the touchline of the defending team after the ball touches a defending player.
 - A player can directly score from a corner kicks.
 - Once the ball is placed on the corner, the player has 10 seconds to kick the ball back into play. Possession will be given to opposing team if violated (referee's discretion).
 - The opposition must be back 5 feet from the taking of corner kick, unless the team awarded the free kick decides to take a quick free kick.

- ⚽ **Goal kicks** are earned when the ball crosses the touchline of the defending team after the ball touches an offensive player.
 - Goal kicks are taken from within the goalkeeper area.
 - The opposition must be back 5 feet from the taking of goal kick, unless the team awarded the free kick decides to take a quick free kick.
 - Once the ball is placed within the goalkeeper area, the player has 5 seconds to kick the ball back into play. Possession will be given to opposing team if violated (referee's discretion).
 - The ball must touch the defending half of the court of the team in possession prior to crossing the mid-court line. (A player cannot flight a ball from one end of the court to the other on a goal kick).

- ⚽ **Penalty shots** are direct kicks, awarded at referee's discretion
 - Penalty shots are awarded for the following:
 - After 3rd foul against a team (per half)
 - Handball or foul committed in the goalkeeper area
 - Deliberate Handball
 - The ball is placed at the penalty spot and a shot is taken on goal.
 - All other players must be on the outside of 3 point line marker of the basketball court.

- ⚽ **Goalkeeper rules:**
 - Goalkeepers are allowed to play the entire length of the court, but may only use their hands within their own goalkeeper area.
 - Goalkeepers are not allowed to pick up the ball with their hands from a deliberate pass from any of their team mates.
 - If the goalkeeper gains legal possession with their hands, they have a 10 second time limit to release it from their possession in their own half of the court. (**The ball must touch their half of the court prior to crossing the mid-court line**).
 - The goalkeeper is not allowed to drop-kick the ball at any time.
 - If the goalkeeper does not handle the ball with their hands, they are free to kick the ball any length and even score.

PART TWO: Player infringements:

- ⚽ Referees have the right to warn, ask to leave or eject from the game, any spectator or player whom they feel is bringing the game into disrepute.
- ⚽ Each team has 3 team fouls per half. Any fouls after the 3rd will be penalized with penalty shot by the opposition.
- ⚽ During the game, a referee has the option of using two cards: Yellow and Red.
 - A yellow card is a formal warning. Any player who receives two yellow cards in a single game will receive an automatic red card.
 - If a player receives a red card, they will be **immediately sent from the court**. The player will also be suspended from *Futsal Fellowship* activities for at least one week (or at the discretion of the referee). The team will play with one less player for the remainder of the game.

- ⚽ **HANDBALL** is when a ball touches a player from the shoulder down (not including the shoulder). A deliberate hand ball will be awarded with a direct free kick/penalty to the opposition.
