

# PURPOSE STATEMENT

Make disciples who make disciples.

# PHILOSOPHY OF MINISTRY

Create and maintain an environment that is gospel rich as we help teens encounter Jesus and experience God's purposes for them.

# THE VISION

We envision a world turned upside down with the culture of Heaven, due in part to teens who are empowered to do so because of their relationship with Jesus.

*"The vision is JESUS – obsessively, dangerously, undeniably Jesus.*

*The vision is an army of young people.*

*You see bones. I see an army."* - Pete Greig, Red Moon Rising

# METHOD OF MINISTRY

We use large group settings to saturate teens in the Gospel of King Jesus. This gives our Disciple-Makers the needed framework to win, build, equip and send individuals. Therefore, to whatever degree of involvement our leaders are serving in, every single leader plays a crucial role in the disciple-making process.
