### **Questions for Further Discussion:**

**(Great for Life Groups, family devotionals, or with a friend)**

1. In what ways is Jesus' call to "love one another" a new commandment? What is he calling them to do differently?
2. How can boasting get in the way of listening to Jesus? What role does humility play in hearing what Jesus desires from his followers?
3. What do we sometimes mistakenly see as holiness in others that is merely external cleansing? What evidence will you see in someone who has a truly changed heart?
4. What aspects of the love of Christ feel the most different from the love you're used to seeing? How can you demonstrate Christ's love more completely?
