

LIFE GROUP POINTS TO PONDER

1. The message dealt with some characteristics of a Great Commandment church. What qualities do you feel make up a Great Commandment church? How can you as an individual help to encourage a church to practice those qualities?
2. Hearing of some the responsibilities of church leadership, how, and for what things, should you be praying for on their behalf?
3. How would you define a “church pillar” and what do you see as their ministries in a Great Commandment church?
4. Jesus said in Matthew 22:39 that we are to love our neighbors as ourselves. Who are your significant neighbors? And how can Great Commandment Christians reach out to the unloved, unlovely, and unloving?
