On Your Own: Better With Others

1. Do you usually respond to change with excitement, or fear? Do you have any fears about the change taking place in our church? What are you excited about?
2. What are some of the things you expect from a pastor? Do your expectations come from the Bible, or somewhere else?
3. What responsibilities do believers have to their pastors and other church leaders?
4. Pastors can only do their job well if their character is above reproach. Is this also true in other kinds of work? How is your own character affecting your ability to do the work God has called you to do?
5. What could you personally do to encourage Pastor JD and the Winters family as they serve our church?

WELCOME

4-7-2024

Today we welcome Jonathan "JD" Winters as our new Lead Pastor

JD and Crystal Winters came to Silverton First Baptist from Faith Bible Church in Lincoln City where he served several years as Youth and Family pastor and for a short period as interim Lead Pastor. He recently completed his master's degree in Applied Biblical

Leadership from Western Seminary in Portland. He adds this to his Bachelor of Communication Studies from Eastern Oregon University. An able preacher and teacher, his relaxed and friendly style is reflected in his personal relationships both within our church and in our community.

JD and Crystal have been married 21 years. They have five children, Austin, Jackson, Charles, Samuel, and Molly ranging between the ages of 20 and 11. The family has been community-oriented and enthusiastic supporters of the schools and community events and organizations. Additionally, Crystal is highly regarded for her involvement in women's and worship ministries which have made her a much-appreciated addition to those areas in the church.

Please pray for JD and Crystal and the family to wholeheartedly depend on God as they serve Christ for the sake of others.
